NU-WAY BALL CLEANER & DETERGENT

NU-WAY is the best chemical product to solve ball washer problems. It combines the properties of stain removal with detergent action for ultimate ball cleaning.

NU-WAY will not leave a film on ball.

NU-WAY has no odor, balls are truly clean.

NU-WAY prevents algae, rust and slime.

NU-WAY does not strip paint or cause fading.

NU-WAY will not become rancid.

DIRECTIONS FOR USE:

Dilute NU-WAY concentrate, 1 pint to 1 gallon water. Add this solution directly to the ball washer, as needed, to maintain liquid levels. Regular additions during heavy play is recommended. When soil and dirt sediment become excessive, drain and flush ball washer and refill with NU-WAY. Annual cleaning of soil residue is usually sufficient. For winter usage, add anti-freeze to diluted NU-WAY solution to prevent freezing.

NU-WAY cleaner may also be used as a sprayer cleaner. Generally, one pint to approximately 50 gallons of water will make a good cleaning solution. Agitate and mix in sprayer tank, then pump out through hose and boom outlets to clean thoroughly. Flush with clear water through the pump and hose or boom outlets. In case of herbicides deactivated by soil, add 1/2 to 1 pint of loose soil to cleaner solution and use as suggested above.
